INTERNATIONAL COPRODUCTION MEETINGS RULES
DOCSP 2017

Deadline: August 25th 2017

Call for directors and producers of documentary projects, in development, work in progress or post-production stage. Type of Project accepted: series or feature documentary projects.

About:

Coproduction Meetings are activities destinated to 5 international projects, selected by an international open call to participate at International Coproduction Meetings of DOCSP 2017.

The participation of this activities will permit international projects to have meetings with representatives of the Brazilian Audiovisual Industry to understand the local environment, conditions and the possibilities to coproduce with Brazil.

One on one Meetings: exclusive meetings will be arranged between representatives of the selected project and representatives of TV channels, festivals and market. (25min/meeting)

Coproduction Meetings: International producers will have individual meetings with Brazilian producers to share their experiences to produce in its country.(25min/meeting)

The aim is to boost the networking, openning a possibilities and providing opportunities for obtaining finance and positioning their products in the local and international market. The Coproduction Meetings will take place between October 2nd -4th. More info on the Coproduction Meetings.
